Washington, DC 20002
On-site contact: 202-962-3200 (receptionist)

Due to limited parking, COG strongly urges guests to use METRO.

By METRO

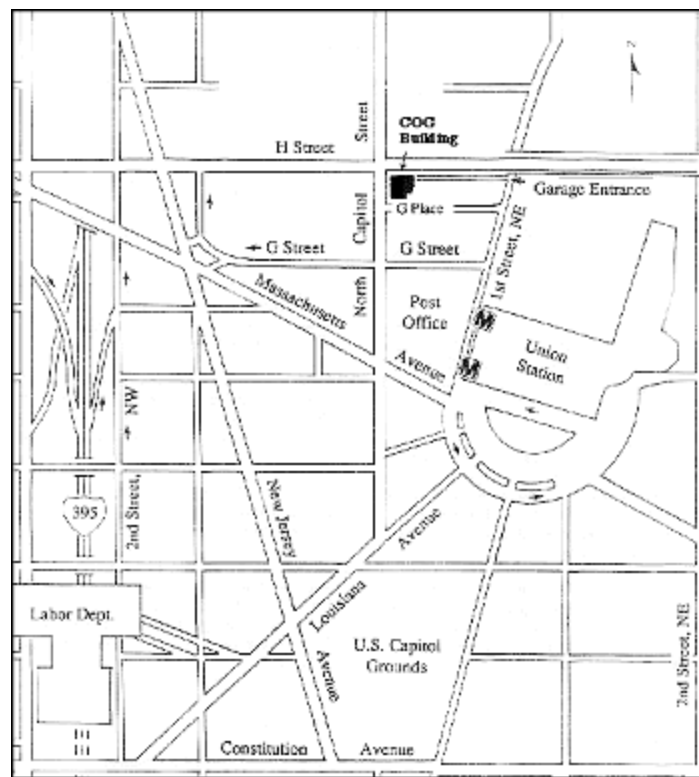

Take the Red Line to **Union Station**. Make sure to take the north exit onto First Street, NE (When exiting the train, the north exit escalator is at the end of the platform). Turn right on to First Street. Walk two blocks and turn left onto G Place (not to be confused with G Street, which is a block before G Place). COG is located at the corner G Place and North Capitol. It is located directly across from the U.S. Government Printing Office.

COG's Parking Garage

The entrance to COG's parking garage is on **First Street, NE** and will be on your left just past the intersection of G Place. Proceed through the tunnel area until you reach the parking area underneath the COG building. See map below for location.

Additional Parking at Union Station

There is usually plenty of parking available at Union Station, located just a few blocks from COG. Access to the Union Station parking garage is available from Massachusetts Avenue, NE (from a ramp on the East side of Union Station) and from H Street, NE (located behind Union Station).
